subject :- continuance of the establishment of the Drainage Division, Gaya

In connection with the execution of the comprehensive underground drainage scheme in Gaya which is estimated to cost about Rs 41,25,141 a separate Drainage Division was created in the year 1939 to work under the direct control of The D.P.H, first on a temporary basis and it is being continued from year to year since then.

This Division consists of one Asst. Engineer one overseer, one surveyor, 5 sub-overseers, one draftsman, one clerk, two Accountants and four peons.

In the year 1945, the entire Division was transferred ~~to the control~~ to work under the control of the Bungalow cum-Improvement Trust Board, as the work pertaining to the underground drainage scheme is one of the works entrusted to the Trust Board for execution.

The ~~last~~ term of the ~~Trust~~ Drainage Division under the last sanction expired on 30-6-46 and the chairman C I T Bungalow submitted proposals to continue the existing the period of the Division till the end of June 48

As seen from the report received from the chairman, an outlay of ~~Rs~~ Rs 24, 54, 876/- has been incurred upto the end of June 47 as against the sanctioned estimate of Rs 41, 25, 149/- for the entire underground drainage scheme, leaving a balance of Rs 16, 70, 265/- yet to be worked out. In addition to this, infrastructure with the housing scheme undertaken by the Trust board in early costing several lakhs of rupees, the underground drainage work has further increased. Having regard to this fact, the chairman was requested to intimate once for all how long the drainage work in early would take to be completed and to recommend the extension of the term of the establishment for that period, instead of continuing the establishment for short periods from year to year.

In view of these suggestions, the chairman has now submitted a resolution of the Trust board to continue the division for another period of five years commencing from July 48 pursuant to the above suggestions.

As there is a great deal of underground drainage work yet to be done in early, it is considered

~~is~~ necessary to sanction the continuance of the special Drainage Division for a further period of five years with effect from 1948

The present cost of this establishment ~~is~~ per year is Rs 16,506 and this will be increased by Rs 4,376/- according to the revised scales of pay recently sanctioned.

The Finance Secy and the Minister for Finance & Works have agreed to the proposal to continue the Division as proposed.

~~As~~ The proposal having been ordered by the Dewan to be disposed of by circulation this above note is ~~circulated to the Ministers~~ circulated

The Point for order is:—

To Sanction of the continuance of the special Drainage Division upto to the end of 1952-53 commencing from 1-7-46.

The term of the Drainage Division under the last sanction expired on 30th June 1946 and the Chairman, City Improvement Trust Board, Bangalore, submitted proposals to extend the period of the Division till the end of June 1948.

As seen from the report received from the Chairman, an outlay of Rs.24,54,876/- has been incurred upto end of June 1947 as against the sanctioned estimate of Rs.41,25,141/- for the entire underground drainage scheme, leaving a balance of work amounting to Rs.16,70,265/- yet to be worked out. In addition to this, in connection with the housing scheme undertaken by the Trust Board in Bangalore City costing several lakhs of rupees, the underground drainage work has further increased. Having regard to this fact, the Chairman was requested to intimate once for all how long the drainage work in Bangalore City would take to be completed and to recommend the extension of the term of the establishment for that period, instead of continuing the establishment for short periods from year to year.

In view of this suggestions, the Chairman has now submitted a resolution of the Trust Board to continue the Division for another period of five years commencing from July 1948.

As there is a great deal of under round drainage work yet to be done in Bangalore City, it is considered necessary to sanctio the continuance of the special Drainage Division for a further period of five years with effect from July 1948.

The present cost of this establishment is R.16,506/- per year and this will be increased by s.4,376/- according to the revised scales of pay recently sanctioned.

The Financial Secretary and the Minister for Finance and Industries have agreed to the proposal to continue the Division as proposed.

The proposal having been ordered by the Dewan to be disposed of by circulation, the note is circulated to the Ministers.

The point for orders is the sanctioning of the continuance of the Special Drainage Division of Bangalore City upto the end of 1952-53 commencing from 1st July 1948.

Secretary to Government,
Revenue Department,
Bangalore

Sir,

Subject - Continuance of the term of the Special Drainage Division on a temporary basis

---

With reference to the correspondence ending with your letter No L 726 dated the 10th July 1947 asking me to intimate whether the Trust Board has since considered the question of continuing the services of the above Establishment and if so what their decision is, I have the honour to state that this subject was considered by the Board at its meeting held on 14-7-47 when the following resolution was passed

"RESOLVED That the term of the services of the staff of the Special Drainage Division be extended up to the end of June 1948 and the position re. its further continuance or otherwise being examined at the end of that period "

I request that in the circumstances, early orders of Government may kindly be obtained sanctioning the proposition statement sent nearly a year and a half ago, treating the establishment of the Special Drainage Division purely as on temporary basis as per resolution of the Board.

I have the honour to be,
Sir,
Your most obedient servant,

CHAIRMAN

Sir,

SUBJECT - Continuance of the establishment of the Drainage Division on a temporary basis till the end of June 1948

I have the honour to invite reference to this office letter No G 14/47-48 dated the 18th July 1947 requesting in the circumstances stated therein that early sanction of Government may kindly be obtained to the resolution of the Board dated 14-7-47 in the matter of extending the term of the services of the staff of the Special Drainage Division up to the end of June 1948 and to state that no orders have yet been passed by Government in the matter

2 The Auditor, P W D to whom the Salary bill of the Establishment of the Drainage Division for November 1947 was sent for audit has returned the same with the following observation

> "Sanction to the continuance of the Drainage Establishment from July 1946 has not yet been obtained Bills are being passed provisionally Action to have the Establishment sanctioned as directed in G O No L 9821-25/41 13-46-140 dated the 26th September 1947 may be intimated "

3 I am writing to him separately intimating him of the action taken to obtain the sanction of Government to the continuance of the staff till the end of June 1948 as resolved by the Board and requesting him in the meantime to pass the bill in audit pending sanction of Government to the continuance of the establishment till the end of June 1948

4 I request that in the circumstances, the Comptroller to Government may kindly be authorised to pass the Salary bills of the Drainage Division Establishment till

the end of June 1948 pending the receipt of orders of Government on the above proposal

I have the honour to be,
S i r,
Your most obedient servant,

Docket Abstract

Maintenance of the
Storm water drainage
System

Sir,

With reference to the correspondence ending with reference to your letter No 9 173/47 dt 18-11-47 on the above subject, I am directed to request you kindly to send a copy of GO No L 3692-5/Hl, 26-39-29 dt 6-10-47 referred to in the statement attached to the letter together with information as to when the No and date of GO was issued regarding the authority under which the scale of I Accounts clerks sanctioned to the Drainage Division has been included in the general establishment of the Office of the Trust Board

I have etc

for Hd Cl

G 318/47-8

OFFICE OF THE CITY IMPROVEMENT TRUST BOARD,
"Ranga Vilas", Seshadri Road,
Dated, Bangalore, the 15th March 1948.

TO

SYED ABDUL ALEEM, ESQ , B A ,
Secretary to Government,
Revenue Department,
BANGALORE

Sir,

As desired in your letter No 11650 dated 12-12-1947, I have the honour to forward herewith a copy of G O No L 3692-5/M1 26-39-29 dated the 6th October 1939 (and not of 6th October 1947 as mentioned by mistake in the statement enclosed to this office letter No G 172/47 dated the 18th November 1947) sanctioning the establishment required for the execution of the Drainage Schemes in Bangalore City

2 As regards the inclusion of the Accounts Clerks sanctioned to the Drainage Division in the General Establishment of the Trust Board Office, it may be stated that while sending the Proposition Statement on 26-2-1946, the officials of the different Departments such asEngineering, Accounts, Administration etc , were shown separately Your letter No L 9974 dated 15-1-47 stating that the Drainage Division may be shown as Temporary Establishment in the Proposition Statement which may be suitably revised etc , was understood as referring to the Engineering Section of the Drainage Division and not to the Accounts portion of the Drainage Division

3 The Proposition statement was accordingly resubmitted to Government with this office letter No 2105 dated 1-2-47 in para 3 of which it was stated "

> "That in the proposition statement now sent, the Engineering Establishment of the Drainage Division has been omitted and a separate statement will be sent in this behalf showing it as "Temporary" after obtaining the views of the Board "

The original Proposition statement was also retransmitted with this letter

4 It may also be mentioned that the Comptroller to Government in his letter No 472-VAD 4 dated 15-6-47 requested

to be informed if in the proposals submitted from this office to Government the posts of the two Accounts Clerks of the Drainage Division had been included and a reply in the affirmative was sent to him with this office No 341/46 dated 20-6-47

Your letter No L 17079/E 1 dated 18-6-47 addressed to the Auditor, P W D , states as follows -

> "With reference to the correspondence ending with your letter No 642/W 4 dated 2-5-47 re the Proposition Statement of the Establishment of the Bangalore City Improvement Trust Board, I am directed to state that the Engineering Establishment of the City Drainage Division, was employed on a temporary basis and that the question of continuing the services or otherwise of this Establishment will be considered separately Separate proposals have also been received already from the Chairman, C I Trust Board, Bangalore, in this behalf and are under examination
>
> In these circumstances, the Proposition Statement relating to the other permanent Establishments of the Trust Board which is sent herewith may kindly be verified and returned immediately in order to enable the Government to pass early orders in the matter "

6 In forwarding a copy of the above letter to this office, the Auditor in his memo No 73/VAD dated 17-7-47 stated

> "THAT separate Salary bills for the Temporary Establishment of the Drainage Division and permanent Establishment of the C I Trust Board may be prepared in future and forwarded for audit (vide Art 73, M C A C Vol I) "

All these led to think that the Accounts Staff of the Drainage Section must be shown under the Permanent Establishment of the Board

7 It may be stated in this connection that out of the total number of 5 Accounts Clerks of the Drainage sanctioned, only three were working for some time and at present, there are only two working Though all the five Accounts Clerks have been sanctioned under permanent Establishment, only the barest minimum is being entertained according to the exigencies of office work

8 If under all these circumstances, the

bringing in of the Accounts ~~Es~~ Staff of the Drainage Division under the permanent Establishment of the Trust Board is felt to be not correct, I request they may be transferred back from the permanent Establishment of the Trust Board to the Temporary Establishment of the Drainage Division

I have the honour to be,
S i r,
Your most obedient servant,

CHAIRMAN

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

General and Revenue Secretariat,

No. L 15645. *Dated Bangalore,* 7 April 1948

FROM

The Secretary to the Government of His Highness the Maharaja of Mysore
Revenue Department,
Bangalore.

To

The Chairman,
City Improvement Trust Board,
~~Mysore.~~ Bangalore

Sir,

Subject: ~~Continuance~~ Continuance of the special drainage division in Bangalore City.

With reference to the correspondence ending with your letter No.C.13 13/47 dated 15.5.48 on the above subject, I am directed to state that the above said establishment which was sanctioned on a temporary basis in the year 1939 is being continued year by year for the past nine years, and it is not clear when its work is expected to come to an end. I am to request you to estimate once for all how long the drainage work in Bangalore City will take to be completed and recommend the extension of the term of the establishment for that period with an appropriate resolution of the Trust Board.

In this connection, I am to add that the proposals for the continuance of this establishment, the term of which expired on 1.7.48, have been submitted six months after that date and that sanction in such cases should be applied for six months before and not six months after the expiry of the period of any subsisting extension or sanctioned.

As regards the proposal to transfer back the I Grade Accounts Clerks from the permanent establishment to the City Drainage Division as

as reported in your letter dated 15.3.48, necessary action to transfer them back may be taken by you, as no Government Orders are necessary in the matter.

I have the honour to be,
Sir,
Your most obedient servant
Sd/- Syed Abdul Kareem
Secretary to Government,
Revenue Department.

Memo No. L 15648 7448

Copy of the above is forwarded with compliments to the Comptroller to Government of Mysore for information.

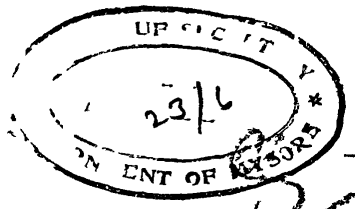
By order,
Ramachandra
Secretary to Government,
Education Department.

7933/ml 19

No. S-469/47

OFFICE OF THE CHAIRMAN,
City Improvement Trust Board,
Dated, Bangalore, the 21st June 1948.

TO



JANAB SYED ABDUL ALEEM, B.A.,
Secretary to Government,
Revenue Department,
BANGALORE

Sir,

Subject - Continuance of the Establishment of the Drainage Division.

With reference to the correspondence ending with your letter No 15645 dated 7th April 1948 asking for definite proposals as to the term for which the Drainage establishment has to be continued etc., I have the honour to forward herewith a copy of the Note dated 5-5-1948 submitted by the Engineer Officer of the Trust Board containing the details of work yet to be carried out under the Drainage Scheme and stating that the establishment of the drainage division has to be maintained for at least 5 years to come.

It is seen therefrom that out of the Comprehensive Drainage Scheme sanctioned by Government at a cost of Rs.41,25,141/- an outlay of Rs. 24,54,876/- has been incurred up-to end of June 1947 leaving a balance of Rs. 16,70,265/- yet to be worked out Further in connection with the housing Scheme undertaken by the Board costing several lakhs of rupees, the Under-ground drainage work would be further increased - In these circumstances, it is considered that the Drainage - establishment would have to be continued for at-least 5 years more.

P T O.

This was placed before the Board at its Meeting held on 25-5-1948 when it was resolved -

"That the Drainage Section be continued for another period of 5 years commencing from July 1948 and sanction of Government be sought for the same."

The term of sanction to this establishment expired on 1-7-1946 as already reported previously. I therefore request that in the foregoing circumstances sanction of Government may kindly be obtained to the continuance of the Drainage establishment from 1-7-1946 when the period of previous sanction expired, to the end of 1952-53 as resolved by the Board.

I have the honour to be,
Sir,
Your most obedient servant,

C.V. Narasimha Rao

CHAIRMAN

MSS.

THE CITY IMPROVEMENT TRUST BOARD,
Dated, Bangalore, the 5th May, 1948.

PROPOSAL FOR THE CONTINUANCE OF THE DRAINAGE DIVISION ATTACHED TO THE CITY IMPROVEMENT TRUST BOARD, BANGALORE

The works of the Drainage Division attached to the Trust Board mainly consists of the following -

1. Carrying out sanctioned works under the Comprehensive Scheme,

2. Deposit contribution works of providing under-ground sewerage for Municipal layouts and layouts brought out under the auspices of the City Municipality,

3. Under-ground drainage Schemes for several lay-outs formed by the City Improvement Trust Board.

An analysis of the expenditure and the progress - secured so far on all these works are given below -

COMPREHENSIVE UNDERGROUND DRAINAGE SCHEME OF BANGALORE CITY

The cost of the works sanctioned by Government under the Scheme is Rs 41,25,141/- and an outlay of Rs 21,54,876/- has been incurred leaving a balance of Rs 16,70,265/- to be worked out hereafter.

DEPOSIT CONTRIBUTION WORKS

The total amount of estimates countersigned by the Municipality so far is to the tune of Rs.28,857/- Further - estimates amounting to Rs.91,070/- have also been sent to the Municipality for countersignature and for placing necessary amount for taking up the works

TRUST BOARD WORKS

Proposals for laying underground drainage for the

P T O

newly formed extensions whose estimates have already been - sanctioned, viz., Kankanpalya extension, Kumara Park Extension, Wilson Garden Extension and probably Palace-Guttahalli Extension and Vyalikaval Extension have to be taken up. The amount provided for the Under-ground drainage works in the above lay-outs roughly works up-to Rs.14,61,400/-.

In addition to these works mentioned above, Government have recently sanctioned an amount of Rs.1,53,000/- for providing under-ground sewerage to the Railway Colony, Bangalore and the work was asked to be taken up by the Drainage Division

Thus the total value of works to be handled hereafter by the Drainage Division will amount to Rs.34,15,000/-

Considering the enormous amount of works to be done by the Drainage Division, it is necessary that the Division is continued Taking an out-lay of nearly 7 to 8 lakhs of rupees per year into consideration, the period for which the Drainage Division has to be maintained will be about 5 years. It is requested that the matter may be placed before the Board as desired by the Secretary to Government, Revenue Department, and necessary approval obtained for the continuance of the City Drainage Division for a further period of 5 years and sent up to Government for approval.

Sd/-R MADHAVAN,
ENGINEER OFFICER.

Sir,

SUB - Continuance of the Establishment of the Drainage Division

With reference to the correspondence ending with your letter No L 277 dated 8-7-1948 enquiring what the cost of the present establishment is and whether it is necessary to continue for the period referred to in your letter; the entire establishment, I have the honour to state that for the reasons explained in this office letter No G 269/47-48 dated the 22nd June 1948, it is absolutely necessary to continue the entire Drainage Establishment for a further period of 5 years commencing from July 1948

2 A Proposition statement showing the cost of the present establishment per annum and the cost per annum according to the revised scales of pay is also enclosed as desired

3 I request that as resolved by the Board, sanction of Government may kindly be obtained to the continuance of the Drainage Establishment from 1-7-1946 to end of 1952-53 as already recommended

I have the honour to be,
